

CROSSOVER NAUTIQUE 236

True to the definition of Crossover, Correct Craft's new Crossover Nautique 236 allows you to enjoy multiple water sports activities with the use of a single boat. Use the retractable stern pylon for tubing. Catch some rays in the spacious bow seating area. Catch massive air with the optional Flight Control Tower. Or just enjoy a relaxing day cruising in comfort with the 236's spacious interior, removable cooler and optional cockpit table.

Length Overall: 25' 4.5"
Length w/o platform: 23'1.5"
Lifting ring centers: 22' .25"
Beam: 100.5"
Fuel capacity: 51 gal
Draft: 29"
Approximate weight: 4,300 lbs
Gear reduction ratio: 1:48
Max. capacity: 14 people
(2,200 lbs)

The convenient stern walk-thru provides easy access to the transom and keeps your boat's interior looking new longer. And it's sure to see a lot of traffic since the 236 sports a hefty 14 passenger capacity.

If you and your crew enjoy a wide array of water sports activities, the 236 is equipped to satisfy the whole gang. Get the 236 and get on the water.
